Please remember when overseeing the children's table not to let them pour drinks for themselves as plastic cups are easily upset.

The self-service seems to be working well and most comments are "why haven't we done it before?" Please let Stephen Pethick know if any of the sachets run out and need to be replaced. Hot Chocolate has been added to the selection as well.

Milk and biscuits are needed each week and possibly squash. Don't forget that all expenses can be claimed from Ian Smyth on the production of a receipt. Please arrange your own swap if necessary.

Thank you again for your contributions. If a date is not convenient to you, please will you arrange your own swap. The flowers are such an important part of our services in bringing our worship to the Lord and they are much appreciated.
