The arrangements do not need to be of florist standards - indeed a posy or a plant are very welcome.

No LILLES please. Although a beautiful flower some people are allergic to them

Flowers should not be in a valuable container and they should be taken away after the morning service unless you are going to be at the evening service (when all flowers need to be removed)

If you would like your flowers to go to someone you know would appreciate them can you arrange for this to happen. If you find that your turn is not possible for any reason, arrange your own swap with someone else on the rota.

The flowers are such an important part of our services in bringing our worship to the Lord and they are much appreciated.
