

The CASE for CHRIST
 AEC Film Night April 4th
 At Bay House School
 7.30pm
 FREE!

Lee Strobel interviewed well-respected authorities for historical evidence on the existence of Jesus. He explores questions like, can evidence for Jesus be found outside the Bible? Are there any grounds to believe the resurrection actually took place? How much trust should we put in what is stated in the New Testament? The film documents Strobel's journey from atheism to faith through his two-year investigation of the Bible and the life of Jesus Christ.
