

AEC Film Night

April 4th

The Case For Christ

At Bay House School

7.30pm

FREE!

Lee Strobel interviewed well-respected authorities for historical evidence on the existence of Jesus. He explores questions like

- * *Can evidence for Jesus be found outside the Bible?*
- * *Are there any grounds to believe the resurrection actually took place?*
- * *How much trust should we put in the New Testament?*

The film documents Strobel's journey from atheism to faith through his two-year investigation of the Bible and the life of Jesus Christ. **PG**

Free refreshments are served after the morning service.
